The screenshot shows the Camp St. Nicholas login page. At the top, there is a logo of a campfire and the text "CAMP ST. NICHOLAS". Below the logo is a navigation bar with three icons: a menu icon, "REGISTRATIONS", "DONATIONS", and "MAKE A PAYMENT". The main content area is titled "New or Returning User". It contains two input fields: "Username / Email:" and "Password:", both marked as "required". Below these fields is an "LOG IN" button. Further down is a "NEW USER" button. At the bottom of the form, the text "Forgot your login information?" is displayed in blue, underlined text, which is circled with a red oval. Two red arrows point from the top of the page towards this circled text.

4. The username for **ALL** family members to login is the **email address of the primary contact** on your account. Any members of the family will use the same username and password to login to access the family account. If your spouse is listed as the secondary contact on the account, they will be able to reset the password using their email address (if listed on your account). BUT the login username is still the email address of the primary contact.
